

TOBUL ACCUMULATORS STOCK IN HOUSTON

Accumulators with Dichtomatik

We have made a sizeable investment in Tobul bladder accumulators and repair kits for our Dichtomatik inventory--this will significantly reduce our lead times to your branch. Starting in August, industry standard designs of accumulators will be available on the shelf with Dichtomatik. As a subsidiary of Freudenberg Sealing Technologies, we have access to a complete

line of Tobul accumulators to meet each customer's specific needs. Our accumulators decrease operational costs by assisting equipment for a wide spectrum of applications with storing and reusing energy along with weight reduction. We offer one-stop solutions with a comprehensive range of superior quality products and services.
